

Tap for Staff app info brochure for schools.

the new way to successfully
manage your own casuals.

How much time do you spend managing your casual staff?

Experience our simple one-touch booking application and say goodbye to the ring around chasing unavailable relief teachers.

Tap for Staff seamlessly connects schools with your relief teachers giving you peace of mind that your classrooms will be covered when your permanent teachers unexpectedly call in sick or are absent for the day.

The app will also help prevent unplanned and expensive agency recruitment fees.

Once your school is registered, the app can be easily downloaded and accessed using a dedicated login that will be securely supplied for a one-off annual fee of \$500 (\$1.37 per day) + GST.

tapforstaff.

benefits

- Improve your communications and enhance your reputation.
- Increase efficiency.
- Reduce agency fees.

features

- The app is completely free of charge to your network of casual educators. They just need to register and set up a profile to receive your casual vacancy app notifications.
- The app allows your school to select and confirm the most appropriate casual educator for each vacancy.
- App notifications and quick-click bookings for relief teachers means more efficient bookings and no wasted time for you or your school calling around.
- Multiple location option is available.

data and security

- Hosted via AWS in Australia.
- Daily file, database and transactional backups.
- No storage limit.
- Uses Webapp, SSL and encryption.

client testimonials

“The Tap for Staff app is very user-friendly! There is ease in creating a booking and being able to confirm the educator you want.”

Sarah Martin,
Casual Coordinator,
Wooloowin Schools Out, QLD.

“It’s great that only people that are available to me appear on my list and I don’t waste my time contacting those who are already booked elsewhere.”

Donna Poetschka,
Assistant Principal,
Gray Primary School, NT.

“My favourite features of Tap for Staff are visibility of casuals’ availability and time saving - I now don’t spend time calling and texting educators, everything is done via one app - offer shifts, confirm shifts, advanced and effective roster planning, and reduced agency spend.”

Emma Davies,
Acting Manager,
Early Learning Centres, NSW.

To arrange a demonstration and to enquire about an obligation free 30-day trial, please contact your local Randstad consultant.
