How do I access my earned wages in real time?

Download the Paytime app

Go to www.paytime.com.au/download, scan the below QR code, or go to your App Store / Play Store and look for “Paytime Earned Wage Access”

Click sign up and provide consent

Read and agree to the T&Cs and Paytime’s Privacy Policy

Find “Randstad” and create an account

Enter your basic information for identity and employment verification; create username and password and confirm your details

View your earnings in the current period

Based on the current period’s approved timesheet hours. Late timesheet submissions for previous periods will not be included.

Get paid instantly

Request to withdraw a portion of your earned wages at any time; it will be in your bank account instantly*

Receive remaining wages on payday

Receive your remaining pay as per usual

*Your bank account must support real-time payments (>98% of bank accounts in Australia do)
